22.

The agreements contain sensitive, confidential, and proprietary information and contain material protected by the attorney client privilege and the Receiver requests that they be filed under seal for the Court's *in camera* inspection, pending the final outcome of the AmCare entities' litigation and subject to the further orders of this honorable Court.

23.

The AmCare-LA Receiver seeks authority from this Court to consider all actions and suits of the AmCare entities undertaken pursuant to the agreements Joint/Source Proceedings under the terms and conditions of the Receivers Agreement previously approved by this honorable Court.

25.

The AmCare-LA Receiver asserts that the proposed plan for pursuit of joint litigation is in the best interest of AmCare-LA, and its policyholders, members, subscribers, creditors and the public, because such action reduces the cost of pursuing separate actions, increases the likelihood of recovery as to the common officers and directors of the AmCare entities, the common insurers of the AmCare entities, and PWC and Foundation/Health Net, and others as common defendants, and permits this Court to continue to exercise jurisdiction over the actions as to the directors and officers of the AmCare-LA, the insurers for the AmCare-LA, and PWC, and Foundation/Health Net in the best interests of AmCare-LA, its policyholders, members, subscribers, creditors and the public, all as is more fully explained in the attached memorandum, which is incorporated herein.

WHEREFORE, the Receiver prays that this honorable Court

The AmCare-LA Receiver seeks authority from this Court to consider all actions and suits of the AmCare entities undertaken pursuant to the agreements Joint/Source Proceedings under the terms and conditions of the Receivers Agreement previously approved by this honorable Court.
